Gifts From the Heart (Ingathering)

Attendees are invited to bring a new or gently used purse with the items listed in the **Pack a Purse** already in the purse. The recipients of these gifts from the heart will be women and teenage girls in shelters or philanthropic agencies; locally, throughout the LA-MS District, and in neighboring districts if needed.

Servant Event

Friday afternoon, attendees will have an opportunity to make Cross necklaces and/or embroider a purple Cross on the corner opposite the lace butterfly on a handkerchief. These handmade items, crafted with love, will be added to the already **Packed Purses**. If creating these necklaces or handkerchiefs are not your forte; helpers are needed to package these items and add them to the purses; so, everyone come and enjoy this joyful and fun filled service event! The LA-MS District LWML Human Care/ Mission Service Committee will provide all the supplies and materials for the Servant Event.

Pictured here, are examples of simply made Cross necklaces which can be embellished with additional provided assorted beads. Pictured here is an example of an embroidered Cross and butterfly handkerchief.
